

Business Management

MAXIMIZE YOUR PROFITS

DDOUBLE DATA - **Design, Copy, Print**, is your complete one-stop shop for all your business management services. We specialize in database management, providing technology, consulting and outsourcing for your business. We will set up a database or customer relationship management system for you. We manage the collection, modification and execution of your customer interactions. Then use this information to add value to your products and service.

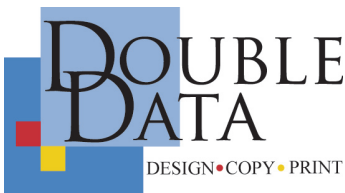

There are only two ways to improve your bottom line; increase revenue or decrease costs. At Double Data we evaluate both to maximize your profits. We can develop marketing plans, design databases, implement customer relationship systems or design and execute direct mail campaigns.

Double Data's personnel have over 50+ years combined experience developing and implementing business solutions. We can consult with you to create and implement a specialized business solution that focuses on your needs. Allow the friendly staff at **DOUBLE DATA** to use our skills and technology to maximize your company's profits.

To complement our business management services, Double Data also offers media duplication production across multiple platforms including CD, DVD, Flash Cards, CD/DVD sleeves & jackets and mailers. Double Data's graphics division can create a complete corporate identity package, from conception to completion and we can print it in house. We also offer a package of Internet marketing services, from web design and development, to key word search optimization.

DOUBLE DATA – working twice as hard for you!
